

WARRIORS

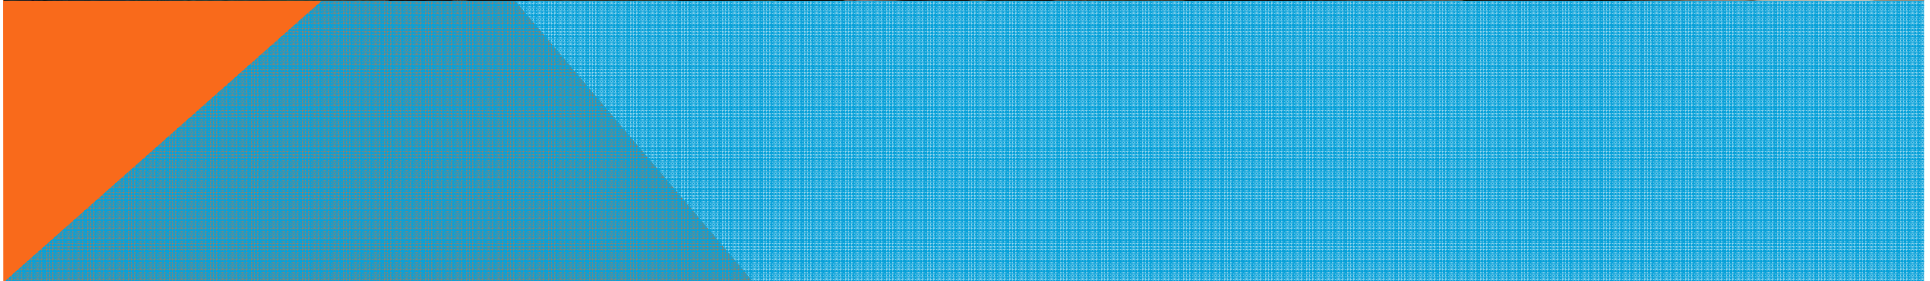

2018

THIS IS OUR TEAM

Owen, Noah, Kacey, Uswa and Eleni

INTRODUCTION

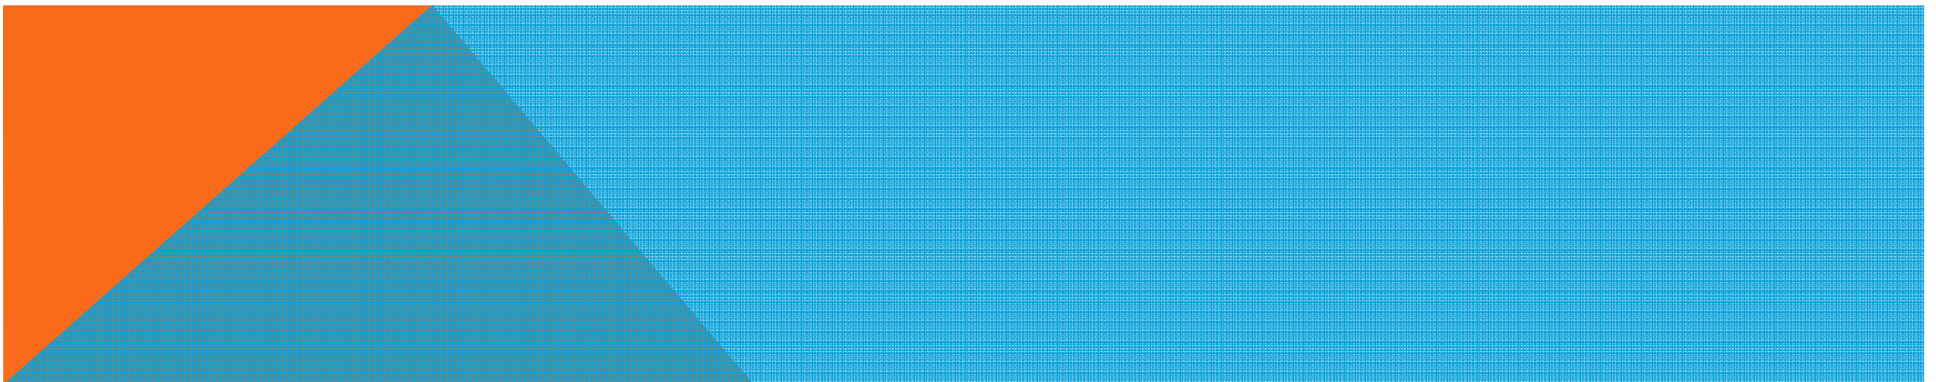

Hello everyone, we are the 2018 Eco Warriors. We are here to tell you how you can help us meet our objective by helping save water.

OUR OBJECTIVE

Water is a precious commodity and one day the planet could run out unless we do something to prevent it. So our objective this term is to help save water in and around school.

We need your help to do it!

THIS IS WHAT WE ARE USING

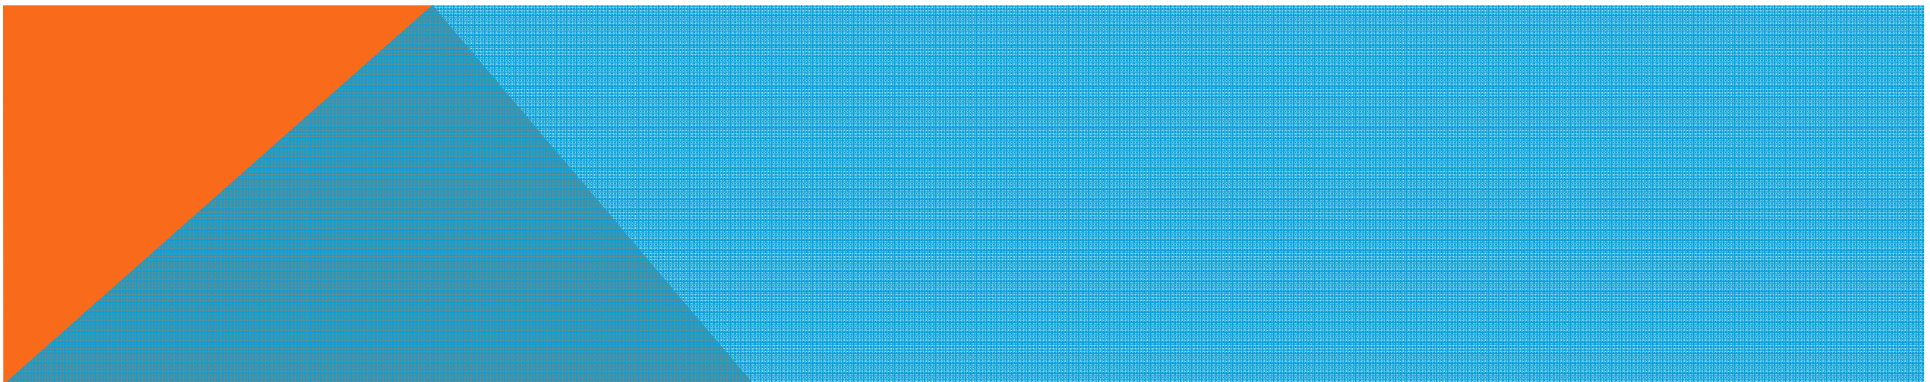

PACK N ROLL

Water carrier

FUNNEL

HOW IT WILL WORK

Each day your class water bottle monitors will collect the water that hasn't been used at the end of the school day.

This will then be collected by the Eco Warriors each morning using our specialist equipment.

This will then be transported to the garden area to be used for watering plants.
