## Pupil Passport to Learning (R)

*A guide to your learning journey*

Name: .....

# Reception (FS2) Pupil Passport

*Our vision for Whiston J & I School is one of high standards achieved through the creative nature of the curriculum offered. We have a learning culture of high and realistic expectations of everyone, children and adults alike. We believe that active participation in learning is crucial through engaging children in their learning. We provide opportunities for problem solving, creativity and independence in order to promote confidence and maturity. There are many aspects of the educational process that we judge to be non-negotiable, views that we hold with a passion about children's education and one of those being building positive and respectful partnerships between home and school.*

*As part of their seven year journey through Whiston J & I, from Reception to Year 6, it is important that you, the children and the teachers know where they're going, every step of the way. We hope this passport helps to extend your child's learning at home and that by working in partnership, all our children will be able to achieve and exceed our high expectations. This passport is intended to inform pupils and parents of the **key end of year expectations** in the areas where parents and carers will be able to have the greatest impact supporting their child. Now you know the destination, get ready to enjoy the journey!*

---

## **Personal, Social and Emotional Development**

- To recognise when it is appropriate to ask for help.
- To be confident to try new activities and work as part of a group.
- To be able to play cooperatively and understand turn taking.
- To understand and follow class and school rules.

## **Physical Development**

- To manage basic hygiene and personal needs successfully, including dressing and going to the toilet independently.
- Move confidently in a range of ways safely negotiating space
- To accurately write your own name and hold a pencil correctly.

## Communication and Language

- To be able to follow instructions involving more than one step.
- To listen attentively in a range of situations.

## Literacy

- Use phonic knowledge to write words in ways which match their spoken sounds.
- To talk in, read, and write simple, clear sentences.

## Mathematics

- To use everyday language to talk about size, weight, capacity, position, time and money.
- To confidently count and order numbers to 1 - 20.
- To be able to say which number is one more, or one less than a given number.

*When you have achieved all of these targets you will be ready for Passport number 1: Passport to Year 1. Have a great first year at Whiston Junior and Infant School. 😊*

*Best wishes, Mrs Angell.*
