Year 4 Class

Pupil Passport to Learning 4

A guide to your learning journey

Name: ....

Year 4 (Y4) Pupil Passport

Our vision for Whiston J & I School is one of high standards achieved through the creative nature of the curriculum offered. We have a learning culture of high and realistic expectations of everyone, children and adults alike. We believe that active participation in learning is crucial through engaging children in their learning. We provide opportunities for problem solving, creativity and independence in order to promote confidence and maturity. There are many aspects of the educational process that we judge to be non-negotiable, views that we hold with a passion about children's education and one of those being building positive and respectful partnerships between home and school.

*As part of their seven year journey through Whiston J & I, from Reception to Year 6, it is important that you, the children and the teachers know where they're going, every step of the way. We hope this passport helps to extend your child's learning at home and that by working in partnership, all our children will be able to achieve and exceed our high expectations. This passport is intended to inform pupils and parents of the **key end of year expectations** in the areas where parents and carers will be able to have the greatest impact supporting their child. Now you know the destination, get ready to enjoy the journey!*

Mathematics:

○ I can count in **multiples** of **6, 7, 9,11,12,25** and **1000**.

○ I can recall **multiplication** and **division** facts up to **12 x 12**.

○ I can **compare**, **round**, **order**, read and write numbers **beyond 1,000** (as well as going below zero to include **negative numbers**).

○ I can **add** and **subtract** numbers up to **four digits** beginning to use a more formal written method.

○ I can **multiply** and **divide two** and **three digit numbers** by one digit numbers beginning to use a more formal written method.

○ I can **read**, write and convert between analogue and digital **12 hour** and **24 hour clocks**.

○ I can solve simple **measure** and **money problems** involving **fractions** and **decimals**.

Reading:

○　　I can **identify themes** in a wider range of texts and be able to **discuss** them confidently e.g. A story which includes: use of a quest and a hero/heroine - good over evil; and use of magic in fairy tales.

○　　I can read aloud and **perform poems** and **play scripts** showing **intonation, character (tone), volume** and **action**.

○　　I can **identify** how the **language, structure** and **presentation** of a text contributes to its meaning e.g. Layout features and language found in specific genres: diaries, letters, newspapers and stories etc.

○　　I can **explain how and why** some significant words and phrases capture (hook) the reader's interest and imagination.

○　　I can **explain (infer)** why a specific **character** may think, say, feel or act in a specific way using **evidence** from the text.
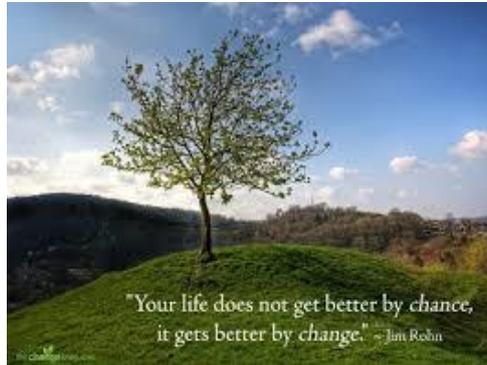

Writing:

○　　I can use **alliteration** and **similes** to 'hook' my reader and help them imagine a setting, character or plot.

○　　I can use headings, sub headings, fronted adverbials and bullet points (**organisational devices**) to guide the reader.

○　　I can organise and sequence my **paragraphs** to interest the reader.

○　　I can **check (proof-read)** and then **edit** my writing for use of **vocabulary, spelling** and **punctuation** errors.

When you have achieved all of these targets you will be ready for Passport number 5: Passport to Year 5. Have a great year at Whiston Junior and Infant School. ☺ Best wishes, Mrs Angell.
