

Whiston
Junior & Infant School

Year 5 Class

Pupil Passport to Learning 5

A guide to your learning journey

Name:

Year 5 (Y5) Pupil Passport

Our vision for Whiston J & I School is one of high standards achieved through the creative nature of the curriculum offered. We have a learning culture of high and realistic expectations of everyone, children and adults alike. We believe that active participation in learning is crucial through engaging children in their learning. We provide opportunities for problem solving, creativity and independence in order to promote confidence and maturity. There are many aspects of the educational process that we judge to be non-negotiable, views that we hold with a passion about children's education and one of those being building positive and respectful partnerships between home and school.

*As part of their seven year journey through Whiston J & I, from Reception to Year 6, it is important that you, the children and the teachers know where they're going, every step of the way. We hope this passport helps to extend your child's learning at home and that by working in partnership, all our children will be able to achieve and exceed our high expectations. This passport is intended to inform pupils and parents of the **key end of year expectations** in the areas where parents and carers will be able to have the greatest impact supporting their child. Now you know the destination, get ready to enjoy the journey!*

Mathematics:

- I can identify and use **multiples** and **factors**, **square numbers** (up to at least 144) and **prime numbers** (up to at least 19).
- I can **compare**, **order**, **read**, **write** and **round** (to the nearest 10, 100, 1000, 10 000 and 100,000) **positive** and **negative** numbers up to **1,000 000**.
- I can **add** and **subtract** whole numbers with more than four digits using **formal column method** (understanding the place value of each digit).
- I can **divide** numbers up to **4 digits by a one digit** number and begin to use the **formal written method** of short division ; **identify remainders** appropriately in context.
- I can **solve problems** that involve converting units of **money** and **time** e.g. timetables, TV schedules, cooking times etc;
- I can solve **fraction**, **decimal** and **percentage** problems, including **equivalents** e.g. $\frac{1}{2}$, 0.5 and 50%.

Reading:

- I can read for **enjoyment** a range of books from the Challenge List: [50 Books To Read By The End Of Year 5](#)
- I can read and explain the meaning of **figurative language** including metaphorical phrase ('raining cats and dogs') and similes (scales like needles).
- I can write a book review and explain why a friend should/should not read it.
- I can **explain** how **authors use language**, including figurative language, to affect (hook /scare/excite) the reader.

Writing:

- I can use **planning, drafting** and a **thesaurus** to choose specific grammar and vocabulary to affect (hook /scare/excite) the reader.
- I can use **paragraphs** to develop and expand ideas, descriptions, themes or events in depth.
- I can use **relative clauses** to clarify and explain relationships between ideas in fiction and non-fiction contexts.
- I can use commas to clarify meaning or to add further description.
- I can convert nouns or adjectives into verbs using suffixes e.g. author becomes author**ise**, assassin becomes assassin**ate**, class becomes class**ify**.

When you have achieved all of these targets you will be ready for Passport number 6: Passport to Year 6. Have a great year at Whiston Junior and Infant School. 😊

Best wishes, Mrs Angell.
